

Schedule of Events

Friday, April 27, 2018

6:00 p.m. **Captain's Meeting** – At Fish-Tale Marina's Ships Store parking lot. Registration fee and Rules and Regulations will be covered. Any captain needing to launch a boat can do so at the Marina - there are open slips available. There will be a list of local hotels and their rates. You may park your trailer at Lovers Key if needed. Each captain will receive a tournament yard stick, a postcard per person, and a goody bag including a tee shirt (extra tee shirts may be purchased).

Saturday, April 28, 2018

7:00 a.m. Boats depart
3:00 p.m. Scoring
4:00 p.m. Awards and Dinner

Proceeds from our fishing tournament support scholarships for students of FGCU's U.A. Whitaker College of Engineering. The college prepares them for careers in bioengineering, where they will learn to develop important medical equipment and technologies; civil engineering, to improve crumbling infrastructure; environmental engineering, to solve problems of pollution, rising water levels and clean energy; and software engineering, where they take part in developing the rapidly expanding digital industry. These are in-demand fields and all benefit the students, our community and economy. We rely on your support to help our students achieve their goals.
